CBA FEDERAL PAC

The CBA Federal PAC is the political action committee (PAC) of the California Bankers Association. Its purpose is to raise funds and make contributions to federal candidates who consider our views and support the banking industry.

Why should I give to the CBA Federal PAC?

The CBA Federal PAC was created to give bankers the opportunity to raise their collective voice in the political arena in support of the industry and its future. By acting collaboratively and collectively, we can provide important financial assistance to the candidates our industry hopes to see in Congress.

With each election cycle, we have an important opportunity to help banking-friendly candidates in California get elected to Congress. Without adequate financing, candidates who support the industry may not be elected. If they lose, we lose too.

California has the largest congressional delegation of all of the states and, as a result, we have the greatest opportunity to help the candidates we support fill those seats in Washington, D.C.

Your contribution to the CBA Federal PAC is one of the most important investments you can make to protect the future of the banking industry. The CBA Federal PAC makes sure that your contribution goes farther by pooling your contribution with the individual contributions of bankers throughout the state.

CONTRIBUTION INFORMATION

How much should I contribute?

The amount you give is up to you. Contributions are strictly voluntary and you have the right to refuse to contribute without reprisal. Any amount up to \$5,000 per individual is welcome. All contributions will be recognized.

SUPPORT THE INDUSTRY BY TAKING POLITICAL ACTION NOW!

What should I know before contributing?

The CBA Federal PAC is administered by the CBA Fed PAC committee, which is composed of volunteer CBA bankers (new volunteers are always welcome) and the PAC is registered with the Federal Elections Commission.

All bank officers, directors and exempt (salaried) bank employees may contribute to the CBA Federal PAC. In addition, the CBA Federal PAC can accept contributions from unincorporated sole proprietorships and partnerships. However, under FEC regulations, **corporate contributions are prohibited.**

Your contribution is not tax-deductible and you cannot be reimbursed by your bank for making an individual contribution to the CBA Federal PAC. The CBA Federal PAC may accept up to \$5,000 per year, per non-corporate entity or individual, in the form of a **personal** check, **personal** credit card or payroll deduction.

Suggested individual contribution amounts:

- ▶ CEOs & Presidents: **\$1,000**
- ▶ Directors: **\$750**
- ▶ Senior Executives: **\$500**
- ▶ Managers & Salaried Employees: **\$100**
